The Guest Rooms at Laborie Estate are decorated with luxury finishes, overlook the beautiful gardens and have views of the estate, and create a tranquil oasis in the middle of Paarl. The rooms are equipped with TV's, air-conditioning and coffee stations as well as Wi-Fi. The farm is geared with a back-up generator to ensure no cold showers or power outages. A scrumptious breakfast will be served every morning. The self-catering units can also book for breakfast at an additional cost. All rooms are "No Smoking"-zones.

Other than the practical lay-out and top-quality finishes, the thing that sets Laborie apart, is the beautiful view.

Each room's patio looks out to the majestic Paarl mountains and beautiful vineyards. On this heritage site and with the structures of the buildings still the same as all those years ago, you will experience something of the late 1600s. Charming indeed!
