Our Philosophy

Five pillars. One sanctuary. A way of healing found nowhere else.
At Laborie, the Pinotage vine, the mineral-rich Winelands soil, and the continent's most revered botanicals are blended by therapists trained in both clinical methodology and ancestral wisdom.
Every ritual is shaped to the guest before us, never repeated, never rehearsed.
Body, mind, and spirit leave changed.

The Vine | Pinotage, South Africa's own grape, gifts resveratrol, polyphenols, and procyanidins of remarkable potency.

The Earth | Kalahari Melon, Mongongo, and Marula. Cold-pressed botanicals of extraordinary healing depth.

The Soil | Mineral-rich Winelands earth, drawn from millennia of geological memory.

The Blend | Therapists who compose each ritual the way a vintner composes a wine.

The Intention | Every treatment chosen, sequenced, and held with purpose.

Healing Earth Hammam

Ancient ritual • Modern luxury

The hammam - a purification ritual thousands of years old, blends Roman bathing tradition with Middle Eastern healing wisdom. More than cleansing, it is a sacred passage of renewal: heat opens the pores, steam softens the skin, ritual exfoliation reveals new layers beneath.

Our hammam honours this lineage while drawing on South Africa's finest organic botanicals. Set within a sanctuary of two heated marble beds, the space holds individual and couples journeys alike. Each ritual follows the classical sequence: gradual warming, steam infusion, deep exfoliation with the traditional Kesse mitt, purifying body treatment, and cooling repose, every phase enhanced with Healing Earth's certified organic products.
